would like to demonstrate/exhibit/sell, etc _____
along the body, mind, spirit theme (spiritual wellness, metaphysical, new-age marketplace and so on...)

* Tell us a little about you and your booth in 10 words or less (this information will be used in the Festival brochure/program guide - please print your program description clearly):

LECTURE/DEMONSTRATION SPOTS: Cost: \$40 per 45 minute slot unless you are a vendor. Vendor's slots are FREE. These times are limited to first come first serve. This is a great way to promote and advertise your business! Lecture/demonstrations are intended to provide a valuable learning experience for the attendees. We encourage you to self-promote your products and services in the last few minutes of the lecture. In this way the audience is more receptive because you have provided high value to them. In our experience speakers who also have a vendor table are better able to generate new business by show casing their materials. A vendor table also generates more interest in the lecture topics and can increase attendance at your lecture/demonstration. Lecturers are required to show up 1/2 hour before their allotted time!

* I would like to give a Lecture/Demonstration titled: _____
(We will get back to you on the exact time of your lecture/demo schedule)
